ARTIST OVERVIEW

D Native is a multi-medium artist based in Atlanta, GA — writer, producer, and visual artist. D Native x The It's Foreal Band represents the full creative project: every lyric written by hand, every track manually mixed and mastered by D Native, using AI as an enhancement for vocals, production, and finishing touches. The result is a catalog that sounds polished and placement-ready while carrying the unmistakable authenticity of a real artist.

The D Native x The It's Foreal Band multi-genre catalog spans Gospel, R&B, Neo-Soul, Trap Soul and Inspirational Hip-Hop — all produced with sync placement in mind. Every track is One-Stop licensed, meaning D Native controls 100% of master and publishing rights. No clearance delays. No split rights complications.
